Title: A New Service

Author: Nina

There is a new service
available in Magincia!
Franklin, the priest who
preformed Tyrell and
Amelia's wedding
ceremony,
is now willing to
perform one for you, too!
He can be found on the
isle of Magincia, at
a wedding altar to
the north of town. There
is a book there that
gives information about
the wedding service that
he offers, so make sure
to read it if you're
interested! If you decide
to take advantage of
Franklin's offer, remember
to provide your own
rings, guests, and wedding
party.
